Coface, in its capacity as an insurance company, has been authorised to trade by the Ministry of Economy, Finances and Industry located at 139, rue de Bercy, 75572 Paris cedex 12, France.

This site has been declared with the French National Commission for Data protection and the Liberties (CNIL).

This site includes information concerning both Coface and the products that this company proposes. This site includes information concerning both the company Coface and the products offered by this company.

By using this website, you are agreeing with its terms and conditions of use. If you do not agree with such terms and conditions, you should not use the website. Indicatively, by entering this and browsing through site, you are accepting the following clauses:

1) All the components of this Web site (notably text, graphics, logos, photos and other visual content) together with their design and layout, are the exclusive property of Coface, with the exclusion of certain components supplied by a Partner.

All usage, reproduction and representation of the components displayed on this site must strictly only be used for personal purposes. Any sale, resale or transfer to a third party, in whatever fashion, is forbidden. If this clause is not respected, such an act will be deemed as fraudulent and civil and criminal proceedings may be initiated. If this clause is not respected, civil and criminal proceedings may be initiated since any of these acts will be deemed as fraudulent.

2) In accordance with the law concerning the EU General Data Protection Regulation (GDPR) we would like to specify that:

Coface is committed to the protection of personal data we collect and process, with rigorous policies, controls, and compliance oversight to ensure that data is held and used appropriately.

Coface has established an enterprise-wide GDPR programme, with key executive sponsorship, that covers its impacted subsidiaries and affiliates. Data processing activities that involve data about individuals in the EU are under review, including applications and databases, policies, processes, and procedures to ensure that our employees, partners, and vendors process personal data in compliance with GDPR requirements.

Coface leverages a network of national correspondents and a Group dedicated team to ensure sustainable compliance with the GDPR going forward. [Read the "frequently asked questions" on the GDPR](#)

You have the right to access and correct the personal data that concerns you. You can do so via this E-mail address to [coface\\_dpo@coface.com](mailto:coface_dpo@coface.com)

3) We undertake to do all that we can to make and maintain all the services offered on this Internet site available. Our obligations are medium-term obligations; consequently we cannot be liable in the following circumstances:

- temporary interruption of a duration of several minutes for the updating of certain files,
- operational problem or temporary interruption of these service out of our control, notably in the event of an interruption of electrical or telecoms services,
- temporary interruption of services when development or maintenance is required,
- failure or dysfunction of the Internet network in the transmission of messages or documents.

4) When you visit this site, a cookie can automatically be installed on your browser software.

A cookie is a small file, which is not designed to identify the users of the site but which records information concerning the way the site is used.

You have the possibility to refuse these cookies. You are nevertheless informed that if your browser programme is configured to refuse cookies, the access to certain services may be altered or even prevented.

5) This site includes hypertext links to websites managed by third parties. Coface cannot be held responsible for any outcome following the usage of these hypertext links.

6) Information on third-party services used on this site :

**- Google Analytics (ga.js)**

Part of the audience measurement services.

Audience measurement services make it possible to generate traffic statistics that are useful for improving the site.

**- AddThis**

Part of the social networking services.

Social networks improve the user-friendliness of the site and help promote it through sharing.

**- Youtube**

Part of the video services.

Video sharing services enrich the site with multimedia content and increase its visibility.
